Godavari Foundation, Jalgaon

# Our Location

The institute is located on AH46 in Jalgaon Khurd, Jalgaon. It is around 15 kms from Jalgaon. Jalgaon city is situated on the Central Railway route which is connected to all major cities of the country. It is around 400 odd kms from Mumbai and same distance is from Nagpur by railways. Another advantage is that it is 8 kms from Bhusawal which is the Divisional Head Quarters of Central Railway.

The college is on National Highway and hence is very well connected by roadways too. Also, the nearest airport of Aurangabad is about 160 kms away from the college premises.

Thus, all necessary facilities of transport is available for to and fro from college. Another important feature of its location is that the city Jalgaon is famous for Gold and thus is called Gold City. Bhusawal and Jalgaon together are famous for Bananas too. And the world famous Ajanta Caves is just around 65 kms away from the college location. Jalgaon has developed fast in the past few years and various malls too are coming up.

## About Us

Godavari Foundation's Dr. Ulhas Patil College of Physiotherapy was established in the year 2005 with a mission to develop knowledgeable & efficient physiotherapists.

Godavari Foundation was established in the year 1993 by our chairman Dr. Ulhas Patil to promote quality education to all those who need it. Godavari Foundation promote quality education in various fields like Medical, Engineering, Management, Agriculture, Art & Science, Music, Primary & Secondary School.

Dr. Ulhas Patil College of Physiotherapy offers a degree in Physiotherapy which is a four & half year course which includes six months internship & two years master degree program. Students here experience high quality education that will help them to acquire skills, which will give them professional competence to treat a full range of physical impediments, which could be congenital, post-operative or after trauma.

Dr. Ulhas Patil college of Physiotherapy is approved by Government of Maharashtra by its order no. nrEgAmo 1301/ã.H«\$./379/{ejU-1 Dated: 04th July 2005.

The College is affiliated to Maharashtra University of Health Sciences, Nasik by its order no : MUHS/PB/442/2005 Dated: 20/09/2005 and also approved by Indian Association of Physiotherapist (IAP) and Maharashtra State OT & PT Council, Mumbai

# Founder Message

**Dr. Ulhas Patil**  
**Ex. Member of Parliament**  
**President Godavari Foundation**

My dear students,

I am trying to reach you through this small booklet in which we have tried to present a brief profile of our institution, Godavari Foundation, Jalgaon. In 1993 I established Godavari Foundation. My objective to start Godavari Foundation was to make higher education available to all who are desirous of getting it. I also visualized that social transformation can be brought about through the medium of dynamic education. Godavari Foundation thus is an institution of higher education with social commitment.

At Godavari Foundation we are trying to give best and up-to-date education and training to our students through our colleges including Dr. Ulhas Patil College of Physiotherapy which are housed in beautiful buildings situated in our spacious Dr. Ulhas Patil Medical College campus. The bewitching and tranquil surroundings here are very conducive for learning. Our faculty is motivated and student oriented and we have excellent academic and clinical facilities.

I hope you will be one of those fortunate students who would get an admission to one of our colleges and I am certain that your life at our campus will be academically fruitful and otherwise pleasant. My best wishes to you for all the successful professional career after graduation.

# Principal Message

**Dr. Jaywant Nagulkar**

Principal  
Dr. Ulhas Patil College  
of Physiotherapy, Jalgaon

Dear students,

I have pleasure in writing this message as you know Godavari Foundation has a great history in academic area. We started B.P.Th. course in Dr. Ulhas Patil College of Physiotherapy in year 2005. It's an employment oriented 4½ year degree course including 6 months internship. Our College is affiliated to Maharashtra University of Health Sciences, Nashik and approved by Maharashtra State OT & PT Council, Mumbai and Indian Association of Physiotherapist, New Delhi.

Our aim is to encourage high standard of physical therapy education and practice because physiotherapy is providing services to people and population to develop, maintain and restore maximum movement and functional ability throughout the lifespan. It includes the provision of services in circumstances where movement and functions are threatened by the process of ageing or that of injury or disease. Services offered by physiotherapist are evaluation, diagnosis, consultation, prevention, care orientation and rehabilitation. We would like to produce a “PREFECT PHYSIOTHERAPIST” who will have a keen observation, compassionate listening power with sound understanding a skilled examination with a sense of clinical judgment and enthusiastic communication skill as well as a great motivating power.

We would like to see our graduate & post graduate students of this institution as a successful physiotherapist. With this hope I wish all the best for all future aspirants.

## Objectives, Vision & Mission of College

### Objectives:

1. To develop overall abilities of the students. 2. To provide quality & high standard education in Physiotherapy. 3. To develop Physiotherapists well versed with all Physiotherapy Skills & Confidence to treat & research on all dimensions of Physiotherapeutic knowledge. 4. Excellent Research Department to guide UG/PG students in their various Research Projects. 5. To give high quality education that will be perfect blend of theory and practical. 6. To develop efficient Physiotherapist who is capable of serving the society in an effective manner. 7. To increase awareness to Physiotherapy in our society. 8. To promote Health and well being of the individual and the society.

### Vision

To create a best possible environment for the development of compassionate professionals with sound knowledge and excellent skill who can serve and heal in variety of health care and social settings. To contribute our humble share to ensure the promotion of health and well being of individual and society.

### Mission

To give high quality education that will be perfect blend of theory and practical.

To graduate knowledgeable, service oriented, self assured, adaptable, reflective practitioners who, by virtue of critical and integrative thinking, along with clinical reasoning, lifelong learning and ethical values, render a tailored strategic planned program for treatment concerning patient or person. These judgements, supported by evidence; will promote the health of patient or person; and enhance the professional, contextual, and collaborative foundations for physiotherapy practice.

To create awareness of physiotherapy in our society.

### Quality Policy

Dr.Ulhas Patil College of Physiotherapy is committed to establish a quality theory & practical training that will ensure, through quality assurance and continuous improvement, physical education that meets prevailing national and international standards.

## Institutional Infrastructure

### Different Laboratories :-

1. **Anatomy :-** It contains well established dissection hall & anatomy museum which is attached with medical college
2. **Physiology :-** In this department we have all the necessary equipments required for the first year B.P.Th. as per the university rules.
3. **Electrotherapy :-** In our College we have well established & fully equipped Electrotherapy department with all the necessary Electrotherapy Modalities
4. **Kinesiology & Kinesiotherapy :** Like Electrotherapy this department is also well established & fully equipped with all the necessary equipments required for the rehabilitation of patient.
5. **Musculoskeletal lab**
6. **Neuro sciences lab (Pediatric & Adult )**
7. **Cardio-respiratory lab**
8. **Community Physiotherapy Lab**
9. **Yoga Lab**

### Facilities

**LCD/Projector :** We have separate LCD / projector facility in each class room which we use during lectures as well as seminars.

**Library / Journals / Magazine :** In our college library facilities are also very good which contains all the old & latest edition of physiotherapy and basic medical sciences books. It also contains national & international journals.

### Academic Activities:

**Weekly Tests :** We conduct the test on every saturday over the topics covered during the entire week.

**Case presentations / Journal presentations :** Cases and interesting journal articles are discussed weekly

**Seminar presentations :** Seminars are conducted by students weekly, to enhance knowledge by effective discussions

## Other Facilities

### Canteen :

Three canteens are available to everyone and 24-hr mess is set aside for hostel students which provides morning breakfast, lunch, high tea and dinner. the daily nutritious menu is made while taking students health into consideration.

### Banking :

ATM facility is available in college campus. Bank, post office are available nearby about 4 km away from college campus. For opening A/c we have Godavari Laxmi Co-operative Bank Ltd. situated in the Navi Peth, Jalgaon.

### Recreational Facilities :-

The college campus contain facilities for revelation activities of student like gymnasium, play ground for outdoor games, indoor games like badminton, table tennis, carom, chess etc.

### Hostel Facilities :-

Hostel facilities are provided for boys & girls separately. In hostel we are providing all basic facilities such as light, water, mess etc. The atmosphere of hostel is very good for study, free from sound & air pollution. The campus is secured by a security officer 24 hrs a day& entire campus is covered by CCTV surveillance for security purposes & daily attendance is taken by rector.

### College Bus Facilities :-

There is college bus facility for our staff & students for local traveling.

### Extra-curricular Activities/cultural Activities :

The college also arranges the annual social gathering every year where we engage the students in various cultural & sports activities so that their personality develops in all the directions.

# The Curriulum

- ◆ Primary Health Center, Nashirabad
- ◆ Red Cross Society, Jalgaon
- ◆ District Early Intervention Centre, Jalgaon
- ◆ Rotaract Club Of Godavari Elite

## Conduct and Discipline

1. Students are responsible for their behavior, both in and outside the college.
2. Students should maintain silence in the classes, library, reading room and in the corridors when lectures are held.
3. Students should make every effort to take care of the college and hospital property, and help in maintaining it. They should not write on black board, not scribble on tables, chairs and walls.
4. Any intentional damage did to the property of the college and hospital will be damage with as a breach of discipline.
5. If a student is required to get leave from the college or hospital in the middle of the day for an emergency, the student must get it sanctioned from his/her class teacher/supervisor and a letter must be produced from parents or guardian.
6. When student wants to discontinue the college, the parent or guardian should intimate this in writing, giving valid reasons.
7. Students are required to maintain the high ethical and professional behavior laid down by the college authorities, both in and outside the college, hospital and community.
8. Rules are subject to change.
9. All decisions taken by the principal are final and binding.
10. Parents/guardians must meet the principal whenever called.
11. Parents/guardians are required to furnish their specimen signature in the presence of the class teacher, at the beginning of every academic year.
12. Possession of arms and or any banned substances like drugs, consumption of alcohol, use of tobacco in any form is strictly prohibited.
13. No student should engage himself/herself in ragging. It is a criminal offence now and may lead to punished of Rs. 50,000 & 3 years imprisonment.
15. Any violation of rules will invite disciplinary action according to the discretion of the college authorities and if necessary, dismissal from the college may be considered depending upon the seriousness of the violation.

## Anti Ragging Helpline

**Discipline :** We are following strict discipline inside the college campus. Ragging and sexual harassments are strictly prohibited. Separate anti ragging & anti sexual harassment committees are present in the campus.

## What Our Students Say

There are several reasons why I am proud to be a part of this college. Teachers are very experts in their fields. They are very dedicated and always cover the whole syllabus. Classes are held regularly and attendance is properly recorded. The curriculum is designed to make learning easier for students. There is a focus on both traditional knowledge as well as keeping the students updated on the latest developments in the different fields.

**Dr. Dharmendra Sharma, M.P.Th, (Neuro)**

As a student of this college, I feel grateful and honoured. The required skills to become a perfect physiotherapist were imparted in our beloved institution. Being a part of this college enabled us to succeed in all aspects of our lives, including academics and interpersonal and self-confidence abilities. All the staff members consistently provided us with the assistance and direction we desired as students.

**Dr. Mansi Sawke, B.P.Th, MS (UK)**

I feel proud to be one of the many amazing Physio's that DUPCOP has given to the society. I feel DUPCOP is like a open book you can come, read, get knowledge and move on for the better future. I am so thankful of all the faculties and the management staff for providing me the support not only throughout my course but also after the completion of the course. I strongly believe that this college has played an important role in my life and whatever I am today it refers back to the guidance and constant support that I got from our DUPCOP. Going abroad is a thing and from me I am so grateful that our management staff helped me throughout. Even during my academic years, I got a chance to train my skills and proper training, hands on practice so once I completed my BPT I was confident enough to anything in future. Thank you DUPCOP for everything.

**Dr Dinesh Gandhi, B.P.Th, Sport Health and Exercise Science, (USW, England)**

I am honoured to be a student at this college. The knowledge, skills, and experience I gained during my four and a half years of study here have formed the foundation of my current communication and practise as a physiotherapist. After graduation, I began preparing for my studies abroad, and the staff and teachers at our college were and continue to be very supportive throughout my process. They have helped me build my confidence and get to where I am today. I will be eternally grateful to my college for bringing out the best in me.

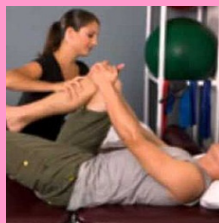

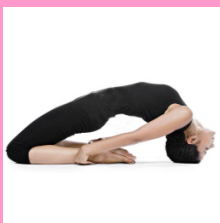

**Dr. Shivani Patil, B.P.Th, MS (USA)**

# गौदावरी गीत

ही गौदावरी ही गौदावरी  
आहे सत्य हे स्वप्नापरी  
॥ हो ही गौदावरी ही गौदावरी ॥  
तव सकलना देई माया  
सुख समानतेची मिळे छाया  
ही वाटे मज आईपरी  
॥ हो ही गौदावरी ही गौदावरी ॥  
विकास आरोग्य विज्ञानाचा आहे वटवृक्षापरी  
शिक्षणाच्या नवनव पारंब्या पसरि भुतलावरी  
॥ हो ही गौदावरी ही गौदावरी ॥  
चला या तेजोमय वलयाचं उेळू भविष्य  
घामानं अन ऐक्यानं ठेऊनिया आपुलकी नेवू हीस देशावरी  
॥ हो ही गौदावरी ही गौदावरी ॥
